

Front-line Future 36cm barbecue grill with lava stones.

Front-line products are designed to be as individual as you – comprising separate components which can be brought together to create your perfect cooking area. This grill can create the barbecue experience any time of the year and is a healthy way to cook as the fat can drain away. It features touch controls for precision and a timer making controlling cooking time easy.

- Electronic touch controls ensure precise heat selection
- Lava stones and tray are dishwasherable – for easy cleaning
- Programmable timer – up to 99 minutes
- Removable aluminium strip – for easy cleaning
